

Monroe Community College

STATE UNIVERSITY OF NEW YORK

Bio Information for Shunda Ware

Candidate, Dean of Career Technical Education

Shunda Ware is expecting to graduate from the University of Toledo in Spring 2023 with a PhD in higher education leadership. She holds a Bachelor of Business Administration degree from Georgia State University and an MBA in Business Administration from DeVry University.

While completing her PHD, she continues to teach at Baker College in Owosso, MI. Shunda has served as Dean of Business and Industrial Technologies at the Technical College of the Lowcountry in Beaufort, SC, as well as Associate Dean for Business, Math, and Applied Technologies at Cuyahoga Community College in Cleveland, OH.

She has experience in budget development and management, leadership, strategic planning, and change management. Shunda is a skilled educator and innovative thinker with proven leadership skills and a strong background in creating curricula, developing class schedules, recruiting and training faculty, and managing projects. As an administrator, she has adapted to leading educational environments with and without collective bargaining agreements. Ms. Ware provided visionary and strategic leadership as the Dean of the business, public service, and industrial technologies division at the Technical College of the Lowcountry. Her division was the second-largest while maintaining the highest graduation rates in the college.

With her experience and continued professional development, Shunda is a collaborative and self-motivated leader prepared to become the next Dean of Career Technical Education at Monroe Community College.
