

Celebration of Writing

Please join us for this college-wide showcase of student writing!

Wednesday, May 11, 2022, 3-4:30 pm
The LeRoy V, Good Library at the Brighton Campus

All MCC students are invited to present their written work (academic and creative) at this open forum. With a set-up similar to a science fair, the Celebration of Writing event will give students the opportunity to share their voice with a friendly and supportive audience, encouraging dialogue as a path toward developing intellectual curiosity.

Students can present their writing projects in any format they wish (e.g., PowerPoint, poster, brochure, homemade book, etc.).

Please click the link to sign-up to present your writing project:
