

Linda L. Ryan's Acrostic

Love is a beautiful thing.

In many ways, you can find love!

Nights will show you love through shining stars.

Days will show you love through dawn,
meaning a new beginning.

Always looking to show love to someone or to
something, she is ...

Linda L. Ryan: a mother, a friend
and a happy-to-work-with colleague.

Retirement is not the end, but like a day,
it is a new beginning.

You will have precious time to explore new
opportunities and the energy to achieve them.

Amiga, que mas puedo decir de ti?
(My friend, what else can I say about you?)

Nothing more to say, but that we all love you and want
you to continue being the shining star that you have
been in our "all-together" college journey.

God bless you and all the people touched by you!
Congratulations Linda on your retirement!
