**ADV 165, 2+2 AND TRANSFER ADVISING** - What is the advantage of a 2+2 program? How do you know if a student is eligible? Can 2+2 students take honors courses? This workshop is designed to provide a better understanding of the 2+2 programs available at MCC and how to advise those students interested in this option. Topics to be discussed include: eligibility, audit sheets, and other important advising tips. This workshop will clarify some of the confusing dilemmas faced when advising 2+2 students.
