

Imagination Child Care Academy, Inc.

Bookshelf Creation Drive

March 5th—9th, 2018

Imagination Childcare Academy, Inc., located on the west side of Rochester, NY, is a full day inclusive program for children ages 2 through 12 years that is committed towards providing top rated child care services coupled with a high quality activity based learning curriculum.

They are looking to build a shared bookshelf for the families who utilize their services. This leave-a-book/take-a-book resource will help encourage family reading time.

Some of the benefits of reading to your child include increasing school readiness, building vocabulary, language and literacy skills, as well as improving concentration, curiosity, and memory.

Please consider donating new or gently used children's books for ages 2 through 12. Monetary donations are welcomed as well. Please make checks payable to AAWCC.

To donate please bring your books to Yolanda Johnson in Campus Events at the Brighton Campus (Bldg. 3, Room 120) or Courtney Sprague in Facilities at the Downtown Campus (391A).

Have questions? Need special arrangements?

Please contact Yolanda Johnson at yjohnson@monroecc.edu or
Courtney Sprague at csprague5@monroecc.edu

The Benefits of
Reading
