NEW COURSE TITLES

AGS110	Introduction to Greenhouse Management
AGS200	Food and Agriculture Problem Solving-Behavioral Applications
ASL280	Literary and Artistic expression of Deafhood
CPT120	Introduction to Cybersecurity
CPT125	Physical Security
CPT220	Applied Computer Security Concepts
CPT225	Network Perimeter Security
CTE180	Career and Technical Education Professions
EBL101	Experience Based Learning
HED281	Addiction The Family Disease
HPR101	Multicultural and Diversity Issues in Healthcare and Education
HSM103	Historical and Contemporary Perspectives on Terrorism and Homeland Security
HSM104	Public Safety Communications
HSM202	Organizational and Facility Security
HUM250	Introduction to Aging for the Human Services
OFT173	Microsoft Multimedia Communications
OFT270	Office Technology Seminar and Work Practicum
PSC110	Practicum in Public Safety Telecommunicator
PSC212	Practicum in Law Enforcement Dispatching
PSC213	Practicum in Fire and EMS Dispatching
REA100	Reading and Thinking in the Disciplines
TAM180	Dimensional Metrology I
TAM181	Dimensional Metrology II
TAM182	Dimensional Metrology III
THE181	Touring Theatre Troupe
TRS100	Integrated Reading and Writing
TRS200	Integrated Reading and Writing II

INDEPENDENT STUDIES

AAD290	Motion Graphics 2
ART290	Mural Project (off campus at the Webster Public Library)
BIO290	A Micro-Analysis of Hydraulic Fracturing Pollutants on the Environment
CE290	Peer Advisor
CE290	Perceptions of Monroe Community College as a Veteran Friendly Institution
FPT290	Fire Service Bunk-in Internship 2
FPT290	Fire Service Bunk-in Internship 2
HED190	Behavior Change in Foundations in Personal Health and Wellness
IDE290	Interior Design and Architectural Career Preparation
MUS290	Advanced Aural Skills
MUS290	Advanced Aural Skills
MUS290	Independent Study in Music Ensemble
PEC290	Cardiovascular Fitness
PPE290	Sport Management
PPE290	Sport Management

COURSE DEACTIVATIONS

ANT230	The Cultural Context of International Business
SOC120	African Society and Culture
TRS101	Basic Reading, Writing, and Learning Skills
TRS103	Intermediate Writing Skills

NEW PROGRAMS

Direct Disabilities Support	Certificate
Liberal Arts and Sciences-General Studies-Psychology Advisement Sequence (LA16)	A.S.
Sustainability Studies	A.S.
Theatre Arts	A.S.

PROGRAM DEACTIVATIONS

American History and Global History Advisement Sequences LA06 and LA07	A.S.
Electronic Publishing	Certificate
LA13-Liberal Arts and Sciences-Social and Behavioral Sciences	A.S.

PROGRAM REVISIONS

Apprentice Training-Automotive	Certificate
Apprentice Training-Automotive	AAS
Dental Assisting	Certificate
Diversity And Community Studies	AS
Fine Arts	AS
Fire Protection Technology	AAS
Liberal Arts And Sciences - Humanities	AA
Music Performance	AS
Office Technology - Office Administrative Assistant	AAS
Office Technology Specialist	Certificate
Office Technology: Medical Office Assistant	Certificate
Precision Tooling	Certificate

COURSE REVISIONS

AGS200 – Food and Agriculture Problem Solving – Behavioral Applications (Prerequisite)

Prerequisite from: ENG 101 and any two of the following (AGS 101, BUS 135, SPC 141, SUS 101)

Prerequisite to: ENG 101 AND ANY TWO OF AGS 101 OR 110 OR 150

ANT202 - Human Religious Experience (Prerequisite)

Prerequisite from: ANT 102

Prerequisite to: ANT 102 or SOC101 or permission of instructor.

CIS209 – Systems Analysis and Design (Class size, Lab size)

Class size from: 27

Class size to: 24

Lab size from: 27

Lab size to: 24

CIS211 – Applied Database Concepts (Class size, Lab size)

Class size from: 40

Class size to: 24

Lab size from: 20

Lab size to: 24

CIS221 – Applied Database Concepts with an Oracle Database (Class size, Lab size)

Class size from: 40

Class size to: 24

Lab size from: 20

Lab size to: 24

CLT260 – Medical Laboratory Technology (correct course description)

CLT 260 Medical Laboratory Technology Seminar

A student focused discussion based course that is designed to integrate the topics and concepts of the Clinical Laboratory Technician/Medical Laboratory Technician Program. Emphasis will be on reflection of the Clinical rotation experience and the CLT Program in general. Competency check list will also be completed and job placement and ASCP BOC and NYS licensure exam preparation will also be addressed. Two credits. Co-requisite: CLT251 or CLT253 or CLT255.

DAS227 – Dental Specialty Procedures (Description)

From: This course will introduce various dental specialty practice procedures, techniques, instrumentation, armamentarium and patient management procedures, as well as the dental assistant's role in these treatment procedures. The course will consist of one lecture hour per week and one two-hour laboratory each week. Two laboratory hours, one lecture hour. 2 Credits.

To: This course will focus on treatment procedures specific to a variety of dental specialty practices. Topics will include treatment procedures, instrumentation and armamentarium for treatment, patient education, pre and post-operative instruction, patient management techniques and the role and

responsibility of the dental assistant in each specialty practice. Laboratory practice will focus on practice of competency skills including expanded functions that support and deliver patient treatment.

Spring Semester only. One lecture hour and two laboratory hours per week. 2 Credit hours.

Prerequisite: Successful completion of all first semester DAS and DEN courses.

ENG102 – Writing from Personal Experience (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG113 – Introduction to Creative Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG105 – Introduction to Literature Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG106 – Literary Focus Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG108 – Literature of the Holocaust Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG109 – Detective Fiction Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG114 – The Young Adult Novel Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG115 – Fantasy Literature Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG200 – Advanced Composition Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

ENG213 – Creative Writing Writing (Prerequisite)

From: None

To: Waiver of Accuplacer reading and sentence level tests; score of 71 or higher on reading test and 82 or higher on sentence level test; or completion of TRS200 with a C or better; or completion of TRS105 with a C or higher; or completion of ESL201 with a C or higher, or ENG 200 placement.

HIM213 – Health Information Systems (Prerequisite)

Prerequisite from: HIM208 and CRC120, each with a minimum grade of C.

Prerequisite to: HIM205 and HIM208, both with a C or better.

MTH098 – Elementary Algebra (Description)

Description from: A first course in algebra. Topics include, but are not limited to, solving linear equations and inequalities, arithmetic operations on polynomials, factoring polynomials, introduction to rational and quadratic equations, simplifying expressions containing integer exponents, introduction to radicals and rational expressions, graphing linear equations, solving systems of two linear equations, and appropriate applications of these topics. In addition to regular homework assignments, student will be required to spend an average of one hour each week outside of class time on a supplemental learning activity as determined by the instructors (worksheets, computer software or other media). Four class hours per week; four fee hours; four imputed credits; no earned credits. No Credit.

Prerequisite: TRS 094 with a grade of C or better, or MCC Level 4 Mathematics Placement.

*MTH 098, MTH 099, and MTH 104 are developmental courses. They do not fulfill a mathematics requirement for an Associate in Arts or Associate in Science Degree.

PSC100 – Public Safety Telecommunicator (Class Hours, Credit Hours, Faculty Contact Hours)

Class hours from: 128

Class hours to: 190

Credit hours from: 8

Credit hours to: 7

Faculty contact hours from: 8

Faculty contact hours to: 7

PSC102 – Law Enforcement Dispatching (Number)

From: PSC102

To: PSC202

REA101 – Critical Reading (Course Learning Outcomes, Course Content, Prerequisite, SUNY General Education)

Course learning outcomes from:

1. Identifies and uses the literal and figurative meanings of words
2. Establishes appropriate reading rates for speed-reading, skimming, and scanning, dependent upon various reading purposes.
3. Analyzes content written on a college level for patterns of organization, hierarchical structures, repetition of key ideas, syntax, and diction
4. Makes assertions about text supported by accurate citations
5. Synthesizes text information to discover new ideas and conclusions
6. Interprets text at both denotative and connotative levels
7. Evaluates sources and information for accuracy, bias, stereotypes, and validity
8. Determines the adequacy and appropriateness of an author's evidence for his or her conclusion

Course Learning Outcomes to:

1. Analyze written or visual texts as expressions of the cultural contexts of the people who created them
2. Evaluate the importance of critical reading and thinking and its relevance to self, text, or world
3. Distinguish between the literal and figurative meanings of texts
4. Exhibit proficiency in the reading process by including evidence of one or more of the following: previewing, annotating, outlining, summarizing, or responding
5. Assess text accuracy, which could include evaluating for bias, stereotypes, validity, accuracy, or rhetorical devices.
6. Create new conclusions based on synthesis of texts
7. Employ discipline-specific documentation methodology
8. Analyze sophisticated text using the conventions of critical thinking, such as patterns of organization, hierarchical structures, repetition of key ideas, syntax, or diction

Course Content: added Writing Intensive

Prerequisite from: Accuplacer reading comprehension score of 70.9 or higher, or completion of REA 098.

Prerequisite to: REA100 grade of C or better, TRS200 with a grade of C or better, accuplacer reading comprehension score of 81 or higher.

SUNY General Education from: No

SUNY General Education to: Yes

TRS105 – Fundamentals of Writing (Course Learning Outcomes, Description, Prerequisite, Title)

Description from: This course is designed to cover the aspects of development, revision, and writing of essays. Language mechanics, grammar, and usage skills necessary for effective written communication will be reviewed. Emphasis is on the application of these skills in frequent writing assignments and revisions of basic compositions. Students will improve skills and understanding of college writing. This course is particularly helpful to students who wish to strengthen their preparation for writing in general and in college level coursework. Three class hours per week, three fee hours. Three imputed credit hours; no credits earned. No Credit.

Description to: This course is designed to prepare students for success in ENG 101. This course will cover the aspects of development, revision, and writing of academic essays, as well as language mechanics, grammar, and usage skills necessary for effective written communication. Emphasis is on the application of these skills in frequent writing assignments and revisions of academic essays. Three class hours per week, three fee hours. Three imputed credit hours; no credits earned. No Credit.

Prerequisite from: Accuplacer placement, TRS103 with a grade of C or better, or permission of department.

Prerequisite to: Accuplacer reading score of 71 or higher; and accuplacer sentence skills score 62 – 81.9.

Title from: Fundamentals of Writing

Title to: Academic Writing
