Student Services, DCC- Beatriz LeBron

ATC Drop Off Location:

ATC, 23-158- Kristy Mooney-Graves

PSTF Drop Off Location:

Margie Scahill

Brighton Drop Off Location:

Campus Events, 3-120

Student Services, 1-300

Student Life and Leadership

Development, 3-126

About the Program:

The VE-WEP (Work Experience) program is hosting a summer academy for MCC students that consists of weekly community service projects in the Rochester area. Students have been volunteering at the Maplewood Library. During their daily interactions, it has become clear that there is an overwhelming need for resources and support for children that live in the area and frequent the library on a daily basis.

However, the library staff has exhausted the resources they provide. Because school is approaching, we would like to invite the AAWCC to help replenish these resources. Our goal is to provide book bags and school supplies to 200 children by Monday August 22, 2011. With your help, this IS possible. This would be a great opportunity to show that MCC, AAWCC and other organizations care about the children in this community and are able to come together to make a difference!
