Support from the community will enable Livonia Central School to rebuild after fire damage in July 2012. A generator set fire to roofing materials and the school has suffered much damage, thankfully no one was hurt. As they get ready to open their doors for the beginning of the school year, let's see if we can help them out!

Financial contributions are also appreciated. Checks can be made out to Livonia Central School District. Please deliver checks / cash to Courtney Belluccio Sprague, Campus Events
