

MCC Academies Model

Application for Academies Faculty Liaison

We appreciate your interest in the role of Academies Faculty Liaison at MCC. There will be six Schools within the model and therefore six Faculty Liaisons will be chosen. A Faculty Liaison will represent students within each School and serve as a key communication conduit between faculty and staff within the School. This position will be highly collaborative in that you will be working with students, staff, and faculty. We look forward to learning why this position interests you. Thank you.
