MEMBER SPOTLIGHT: Holyoke Community College

A Leader in Learning Communities

There continues to be strong quantitative and qualitative evidence that learning communities (LC) at Holyoke Community College help underprepared students prepare, prepared students to advance, and advanced students to excel, while providing a transformational professional development opportunity for LC faculty. LEAGUE MEMBER BENEFIT OF THE MONTH

Discounted Registration for League Conferences and Summits

Every year, thousands of educators attend CIT, Innovations, Learning College Summit, and the Executive Leadership Institute. These events feature topical discussions that range from lecture-style presentations to learning-centered dialogues. [Become a member today!](#)

COMMUNITY COLLEGES BURSTING AT THE SEAMS

Due to current economic conditions, many people are going back to school. In addition, many who originally planned to attend a four year university are now choosing to take their first two years in a community college system. At first glance you would think these schools have hit the jackpot. Although this may be true in the long run, this exploding enrollment is causing a great deal of strain on today's resources. LEAGUE SERVICES: INSTITUTIONAL VISION

Is your campus in need of a vision that is well received by the entire college?

League Services can provide an expert to facilitate the process right on your campus! Visit [Institutional Vision](#) or [contact Ed Leach](#) today for more information about developing a vision that is embraced collegewide.

DO YOU KNOW AN EXEMPLARY BUSINESS LEADER?

The League for Innovation is partnering with Business Champions, Inc., and other leading organizations to find and profile exemplary business leaders who are using their influence to create large scale changes so more people get the skills they need to advance, companies have the workforce required to compete, and communities thrive.
