

MCC Bookstore's Fall 2016

All Hallows Eve Online Scavenger Hunt

1 - The works shown above were molded with love by Keiko of the Rising Sun. The land opened to major trade with the help of the first U.S. Consul General of whom a movie was made.

Name the movie: _____ 4 Pts.

What is Keiko's last name: _____ 6 Pts.

2 – What begins with that which Gulch is holding and is followed by disease?

Discover and discern two commonalities which our 1 holds with our 2!

Name both for extra points: _____ (1 Pt.) + _____ (2Pts.)

Both correct = 5 Pts

3 – Elephant teeth - a bundle of Porcupine quills - and a Cayman's head!

Good luck charms all, but America doesn't need them when they play their kind of football!

The rest of the world, that's another story!

Some need every kind of magic to win Sokker's glory.

Look at a German Mirror to find the tale – “Magic Hands! Witchcraft! Cheating!” they feared – perhaps just like Salem they'll put them in gaol!

Find and write or copy & paste the webpage we seek here:

_____ 5 Pts.

Bonus pts:

Where in Mali can you purchase all three of the charms above? _____ 7 Pts.

According to The Guardian how much do each of them sell for there?

1- _____, 2 - _____, 3- _____ 9 Pts. for all three.

4 – Argh Matey! Two cities of the western hemisphere - one being further north, the other on an island, both named the same henceforth.

What lies below one's waters though is that for which we seek, a former wealthy place of infamy & deceit and not much for the meek.

It's said our woman of mystery haunts its former neighbor and that our 'sinking' city wasn't built upon a hill.

If you've got imagination, perhaps 'Johnny Depp' would be, a hangin' from its gallows at the bottom of this sea.

Who's our woman of mystery? _____ 4 pts.

What sea do we refer to? _____ 2 Pts.

Name the city we seek? _____ 7 Pts.

5 – What is so scary here below?

Two ‘stans’ and two ‘daryas’ hold the same fate, diverting their rivers is drying up their ‘lake’!

It once was one of the largest on earth, and with hope it may just be realizing a rebirth.

The ships in this desert weren’t carried there by fate, nor by a Pororoca but for them it’s too late.

Not unlike in ‘Sahara’ this an ecological disaster, but things appear to be looking up, at least according to one forecaster.

Name the ‘stans’ _____ & _____ 6 Pts.

Name the ‘lake’ _____ 4 Pts.

What does darya translate to in english? _____ 3 Pts.

6 – As the voices of Red Jacket, Cornplanter and Monashasha waft through this forest, the sounds of the rail can be heard as well.

In the fall it can be as beautiful as the flowers from your florist;
the cascading fall’s thunder drowns out that of the old train’s bell.

Where are we? _____ 3 Pts.

What train line uses the bridge in question? _____ 2 Pts.

Find a picture online of the new replacement bridge and write the website here or copy and paste it in. _____ 7 Pts.

7 – On this All Hallows Eve let us please not forget, that the reason it exists is to bring hope, so please don't fret!

It's ironic then you see that we sometimes dress so ghoulishly, while the true meaning observed has made others so un-nerved.

As this Jubilee Year of Mercy nears its ending oh so fast, will you risk a simple enquiry of it's meaning before its passed?

If you do I'll be rewarded if it brings to you a smile, tricks or treats won't last forever but with luck perhaps a mile!

While this All Hallows Eve approaches and the Election Day as well, might we pray there'll be no reproaches, and that the winner our strife can quell.

Who started this Jubilee? _____ 5 Pts.

When does it end? _____ 2 Pts.

When is Election Day & who will win the Presidency? _____ 1 pt. each
