Event Chair Joe Marchese

This September marks Joseph T. Marchese's 45th year of teaching at Monroe Community College.

This special dinner and golf tournament will provide an opportunity to celebrate Joe's commitment to teaching excellence by raising

funds to support the faculty grant program. Faculty grants support the development of innovative new programs; faculty enrichment; and hands-on programs in and out of the classroom, all of which work together to ensure that MCC students graduate ready to work in today's ever-changing world.

The classic offers our alumni, faculty, staff and friends the perfect way to connect with MCC and celebrate with someone whose career has spanned 45 years and impacted untold numbers of students!

The MCC Foundation is hosting the annual alumni classic in conjunction with MCC's 2012 Alumni Week and Homecoming celebration.
