

Monroe Community College Alumni Success Stories

Nomination Form

“Giving Back. Moving Forward. MCC Alumni Contributing to The Community.”

Monroe Community College alumni make a difference in Greater Rochester every day – some in very public ways, others more quietly. MCC is looking to celebrate alumni who make a difference and, through their stories, celebrate the difference MCC makes in the community.

Please share with us stories of MCC alumni who are making a difference. Nominate an alumnus you know or, if you are an MCC alumnus/a, nominate yourself. It takes just a few minutes to answer the questions below.

These alumni stories will be told through a variety of mediums, including the MCC Web site. Plus, fifteen representative alumni and their stories will be told in a photo essay in Spring 2008.
