

Jennifer Jaruzel Memorial Biology Scholarship

Application

The Biology Department will award up to \$500 to a full-time biology student at MCC. Applications are open to students with an overall grade point average of 3.25 or higher who plan to complete an MCC program degree in a biology advisement sequence (Biology, Environmental Science, Landscape Architecture, Pre-Forestry or Pre-Pharmacy). Each applicant must submit the following by **April 13th, 2012**.

- Completed application (this form). Write a 200-300 word essay, typed and double spaced, describing your educational plans, ambitions, and reasons you believe you qualify for a Biology scholarship. Attach the essay to this form.
- Completed student biographical data form.
- Copy of transcript through December 31, 2011.
- Two letters of recommendation from MCC faculty members (at least one must be from a Biology instructor).
- Faculty should be instructed to send their letters of recommendation directly to the Biology Dept. Scholarship Chairman, Paul Emerick.
