

THOMAS R. KISSEL MEMORIAL SCHOLARSHIP

Application

The Thomas R. Kissel Scholarship will be awarded to a full-time student at MCC in recognition of their excellence in the study of biology, chemistry or biotechnology. The award will consist of \$1,000.00 applied to the recipient's account to cover expenses incurred during their second year of study at MCC. Each applicant must submit the following by **April 11th, 2008**.

- Completed application (this form).
- A brief essay (250-300 words), typed and double-spaced, that describes your educational goals at MCC, career goals upon leaving MCC, and qualities you possess that makes you deserving of this award. Attach the essay to this form.
- Transcript or On Course report through December 31, 2007.
- Two letters of recommendation from MCC faculty members (at least one must be from a natural science instructor).
- Completed student biographical information form (attached to this application).
- Faculty should be instructed to send their letters of recommendation directly to the Biology Department Chairperson.

Return all required information to:
