Fusion Digital is looking for an

IT Support Worker

Job Description:

The IT Support Worker will be responsible for troubleshooting hardware problems, recovering data from malfunctioning OS, identifying and installing drivers, setting up basic wired and wireless networks, and performing network troubleshooting.

Requirements:

- Associates Degree in IT or Computer Science
- Knowledge of desktop operating systems
- Knowledge of computer hardware
- Must have basic computer troubleshooting experience, including repairing installations and virus removal
- Strong customer service skills

Company Overview

Fusion Digital is a "one stop" shop for business and home technology solutions. Fusion Digital also provides integration and installation solutions for hardware, content, and software, creating a custom, cost-effective technology solution.
