

Science & Technology Entry Program
Monroe Community College

Complete one of the following essays:

1. Why do you want to be part of the MCC STEP program? How do you think being part of the STEP program will help prepare you for college and the career you desire? (Be sure to state what career you are currently considering!) How will the MCC STEP program benefit from having you as a participant?
2. What do you think is the most important scientific discovery or technological invention of all time? Explain your reason for making this selection. If you were a scientist or inventor, what would you be trying to discover and why?

Print your essay in the space below (can continue on the back) or staple a typed essay to this page. Be sure to write legibly, use complete sentences, and proofread your work before you submit it with your STEP application!
