(entered by MCC judge)

Instructions for High School Teachers

1. Check all the items below and write your initials for all items that pass your inspection.
2. Bring this form to the Wooden Bridge Check-In table on the day of the competition. Only bridges with registration forms completed by the high school teacher will be allowed to compete. Each school may enter a maximum of four (4) bridges. Each bridge must have its own registration form.

Bridge Items	High School Teacher's Initials	MCC Judge's Initials
1. Mass less than 22 grams	_____	_____
2. Constructed only with wood and glue	_____	_____
3. No part of bridge extends below plane of table under no load	_____	_____
4. Bridge length is greater than 60 cm	_____	_____
5. Location where hooks should be placed is labeled on the lowest chord within ± 2 cm of midspan	_____	_____

MCCJudge: Does this bridge represent a unique design as compared with other entries from this school? If no, which Bridge(s) is it a close replica of?
