Whatever It Takes

The **Homeland Security Management Institute** is offering awareness level training courses:

Public Health Emergencies –This course is intended to give you knowledge and insight on how to protect your family, business, or organization from epidemic outbreaks, Pandemic & Swine flu. Simple things you can do to help prevent the spread of illnesses at home and in your work place.

Business Continuity - Business Continuity Planning includes a foundation on Business Continuity planning and preparedness. According to the 9/11 Commission "Private sector preparedness and planning are no longer a luxury; it is the cost of doing business in the post 9/11 world.

Are you Prepared?

If half of your business is out sick with the flu?

If a family member comes in contact with someone exposed to the swine flu?

To know where to go if there is an outbreak in your area for inoculation?

To put your business plan in action in the event of an emergency or disaster?

Theses two courses are being instructed in a two hour format on **July 15, 2009** from 8:00 a.m. — 12:00 p.m. at the Public Safety Training Facility, room 105.
