NETWORK WORKSTATIONS

The Library has a number of electronic resources available including full-text magazine articles and an electronic encyclopedia. The Library offers word processing software at one workstation and on the laptops available for borrowing. Most electronic resources are available from off campus from our web pages.

LIBRARY GUIDES AND PUBLICATIONS

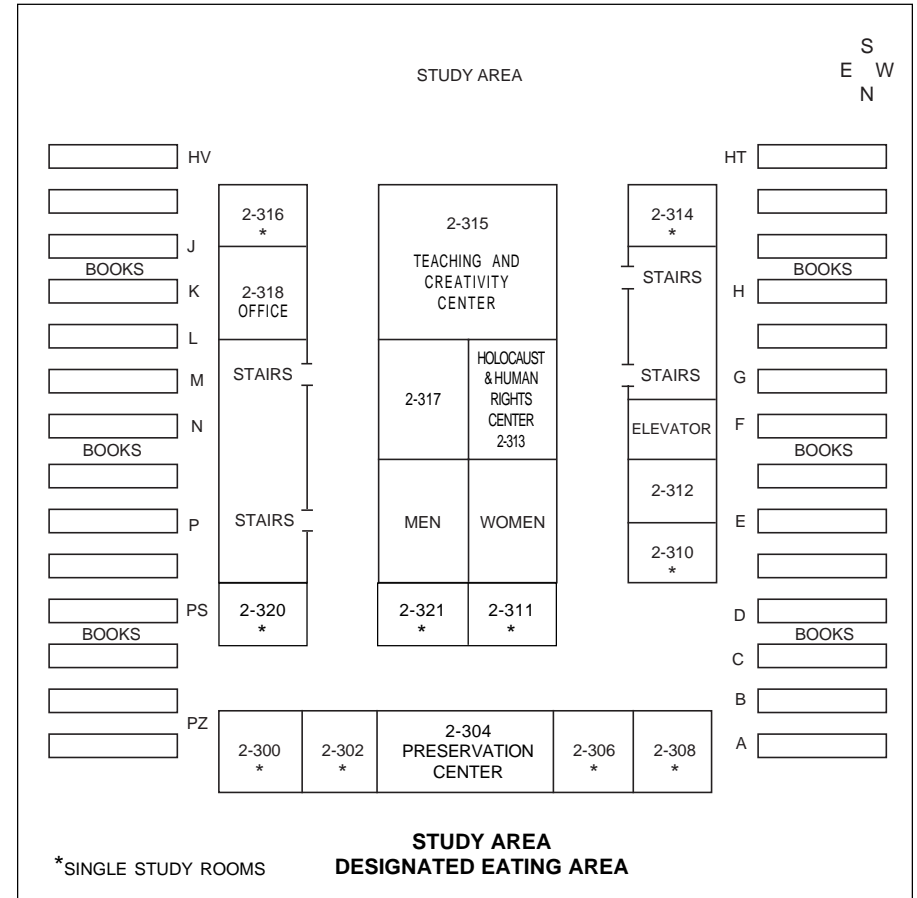

These are available across from the Information Desk and also on the library website.

INTERLIBRARY LOAN SERVICE

The Library may be able to order materials that are not found here. Five Interlibrary Loan requests will be accepted per person per day. Ask at the Information Desk or place requests through the SUNY Union Catalog.
