

***Tony Lambiase, Jr. Memorial Firefighter's Scholarship
Cover Sheet and Application***

Applicant Name _____

Address _____

City _____ State _____ Zip _____

Phone number _____ Email _____

The family of Tony Lambiase, Jr. has established a scholarship in memory of Tony Jr., a City of Rochester firefighter who graduated from Monroe Community College's Fire Protection Technology Program in 2000.

The purpose of the scholarship is to reward the continued pursuit of knowledge in fire protection disciplines by firefighters. The scholarship is to be awarded to student actively pursuing an Associate of Applied Science in Fire Protection Technology at Monroe Community College.

\$500, \$250 for each a fall and spring semester, will be awarded to an applicant that best demonstrates the goals, beliefs, and values held by Tony Jr. and his family as described below.

To apply for this scholarship, please complete this cover sheet and attach an essay describing how your experience, knowledge of, and accomplishments in the fire service exemplify the goals, beliefs and values held by Tony Lambiase, Jr. and his family as described below:

1. Increase personal knowledge and skills required for today's fire service.
2. Apply knowledge, procedures, and techniques to increase the safety of one's self, fellow firefighters, and the victims of fire.
3. Evaluate all aspects of a response to make sound and sensible decisions to increase effectiveness and safety.
4. Develop a deeper appreciation for the fire service and its impact on the community it serves.
5. Understand the history of the fire service, it's traditions, it's heroes, and to continue its proud heritage.

The essay must be typewritten in 12 point font, double spaced, and not exceed five pages in length. Return to Jennifer Levey/MCC PSTF/1190 Scottsville Rd. Suite 216/Rochester, NY 14624. Deadline is November 30th.
