

Interested in being an MCC athlete?

The following items are required for participation on an athletic team.

Requirements:

Two Measles vaccinations

One Mumps vaccination

One Rubella vaccination

OR

Two MMR vaccinations

A negative Tuberculin skin test (PPD) within the last five years

Tetanus (Td) shot within the last 10 years

Meningitis vaccination or signed waiver form

Students planning to try out for an athletic team are required to submit a complete physical examination from their health care provider prior to the first practice.

Student Athletes are required to complete a sports clearance through the Health Services office after the team roster is determined.

Student Athletes are required to have a comprehensive insurance plan while participating on an athletic team. Students should access their primary insurance for benefits. The student accident insurance provides benefits for secondary coverage. Please refer to our insurance web page as well as our athletic injury insurance web page for more information.

Completed Physical forms must be returned to Doug Hennenberg at Health & Physical Education Dept., 1000 East Henrietta Rd., Rochester, NY 14623 by August 1st, 2006.
