Dental Hygiene A.A.S.

EARN A DEGREE FOR ONE OF THE COUNTRY’S FASTEST GROWING HEALTHCARE PROFESSIONS. MCC’s nationally accredited associate degree in Dental Hygiene prepares you for a rewarding profession with excellent employability, flexibility, and earnings. You’ll be prepared to work with patients in settings that include private practice, clinics, and hospitals. You’ll learn from professors who are dedicated to your success, and be able to practice your skills with real patients in our state-of-the-art dental clinic.

PROGRAM DESCRIPTION
This professional career program includes courses in liberal arts and basic dental science, plus valuable clinical experience on campus and off. Upon completion, you’ll be eligible to take the national licensing exam required to practice dental hygiene. MCC’s Dental Hygiene program is accredited by the Commission on Dental Accreditation of the American Dental Association. Please note: Due to the competitive nature of the program, students (except graduating high school seniors) are required to complete several key courses before entering the program.
