Sport Management A.S.

PUT YOURSELF INTO COMPETITION FOR A SPORTS-RELATED BACHELOR'S DEGREE. MCC's Sport Management associate degree program covers the first two years of a four-year bachelor's degree in Sport Management, Sport Science or a related field. You'll get a practical education from faculty experts in MCC's highly respected athletic and business departments, learning to apply smart business strategies in these highly competitive industries. You'll also gain valuable workplace experience via internships with Rochester's top sports organizations, including the Red Wings and Rhinos. MCC's credits transfer directly to top-notch bachelor's degree programs, putting you on track for a successful career.

PROGRAM DESCRIPTION

This program is designed for students seeking careers in sports business and marketing, athletic administration, minor and major league sports, facility and event management, sport promotion, equipment development and retail, and related fields.

Through a combination of classroom study and hands-on internship experience, you'll learn business fundamentals such as accounting, marketing, and statistical analysis, while getting an introduction to the sports industry. MCC's credits are well-respected and easily transferable. You can apply them toward four-year degrees in a range of sports-related subjects, including fitness, business, health and wellness, and outdoor education.

A STRONG START—ACADEMICALLY AND FINANCIALLY!

MCC's low tuition plus financial aid opportunities help make a high-quality education affordable. You could qualify for federal grants, workforce grants, scholarships, and more. Visit www.monroecc.edu/go/finaid or call 585.292.2050.
