¹ Certificate must be obtained no later than 45 days after the start date of class.

² Certificate must be obtained no later than 30 days after the start date of class.

³ Your Certificate of Residence must be submitted to MCC no later than 30 days after the semester starts. Even if you obtained it earlier, it must be *received* by MCC before the 30 day deadline to be valid.

⁴ Certificate must be obtained no later than 60 days after the start date of class.

⁵ All COR applications for New York City must be brought in person, but not necessarily by the student. A friend or family member can bring all documentation in for you. Then the certificate can be faxed back or mailed in to MCC. They will not issue a new one until at least one year from the date the previous one was issued.

⁶ You must obtain a new Certificate of Residence every fall semester, regardless of when you last submitted one. For example, if you last turned in a certificate during the spring semester, you still need to submit a new one for the following fall semester even though it has not been one year.

⁷ Certificate must be obtained no later than the start of classes.

⁸ Your notarized application can be submitted to your Town Hall instead of the Wayne County Treasurer's Office.
