

Which MCC ESOL Course Should I Take? 2024-2025 Academic Year

Students who have a foreign HS diploma, came to the U.S. and entered high school after 9th grade, or received any ESOL/ESL services in high school in the U.S., will take the MCC approved ESOL placement test. Exception: If a student has been enrolled in a U.S. school from K-6 and continues their education in a U.S. high school, they will be placed into English courses by HS GPA and will not require CELSA testing. After you [apply to MCC \(www.monroecc.edu/apply\)](http://www.monroecc.edu/apply), contact the [Global Education & International Services \(www.monroecc.edu/depts/global-education/\)](http://www.monroecc.edu/depts/global-education/) (GEIS) office at mccglobaleducation@monroecc.edu to schedule a placement test or get more information.

Notes:

¹ Students may take any course at placement level or lower level. A grade of C or higher is required to progress to the next course.

² Students may take the credit ESL 100 + ESL 120 classes or noncredit Strong Foundations program. Please go to the GEIS office to discuss these two options with an ESOL advisor.

³ Depending on placement test score, new students who test at low advanced level may not be required to take ESL 140 as a co-requisite with ESL 145.

⁴ Students who would benefit from additional support in pronunciation, listening & speaking, or grammar should take ESOL electives. Contact ESOL faculty for more information.

⁵ New students at the low advanced level and above should be encouraged to take ESOL-designated COS 101 “boot camp” the week before classes start.
