

**WHAT IS APTS?** The AID FOR PART-TIME STUDY program (APTS) is a grant program financed by New York State in conjunction with participating educational institutions throughout the state. The program is intended to provide **tuition specific** financial assistance to part-time undergraduate students needing to meet their educational expenses. **Aid for Part Time Studies is for use during the fall and spring semesters only.**

**WHO IS ELIGIBLE FOR APTS?** A student must meet the following criterion for consideration of APTS:

- Be a United States citizen or eligible noncitizen
- Be a legal resident of New York State
- Have graduated from a high school in the United States, earned a GED, or passed a federally approved "Ability to Benefit" test as defined by the Commissioner of the State Education Department
  - The Ability to Benefit provision requires a student to show an ability to benefit from postsecondary education. The Placement Testing Center collaborates with the Financial Aid Office to assure compliance that the Ability to Benefit requirements are met. If an ATB exam is necessary to ensure state eligibility, a passing grade on the exam is required prior to the Financial Aid Freeze Date for the respective term.
    - Fall 2017 Freeze Date: **September 26, 2017**
    - Spring 2018 Freeze Date: **February 12, 2018**

To meet ATB requirements, minimum test scores in the following areas are MANDATORY:

- ACCUPLACER 34 Arithmetic, 55 Reading, 60 Sentence Skills
- ACCUPLACER 34 Arithmetic, 43 CELSA
- **Be enrolled as a part-time student with at least three credit bearing hours per term and at least one class running the duration of the 15 week semester**
- Be matriculated in an approved program of study in a participating New York State secondary institution
- Be in good academic standing; having achieved at least a cumulative "C" average after having received the equivalent of two full years of payment of state-sponsored student financial aid

**WHAT ARE THE INCOME LIMITS?** Income refers to the taxable income as taken from the New York State 2015 income tax return plus any state, local or federal pension and annuity income, if applicable.

- If you were claimed as a tax dependent by your parents, family income (i.e., taxable income of student and parents) cannot exceed \$50,550.
- If you were not eligible to be claimed as a tax dependent by your parents, income (i.e., taxable income of student and/or spouse, if married as of December 31st) cannot exceed \$34,250.
- If you were not eligible to be claimed as a tax dependent by your parents, but you were eligible to claim dependents of your own other than yourself and/or your spouse, income (i.e., taxable income of student and spouse) cannot exceed \$50,550.
