We're Here to Help!

Dear Student: You need to know everything we do!

Nice to Know v. Need to Know

“Man, bonus points for giving the actual directions. Take out all the Dunks along the way and it's just “go down Spring St, turn left on VFW, it'll be a couple of miles on your left. If you find yourself going over the highway, you've gone too far.” But no, we have to point out every Dunks, bridge and rotary along the way.”

Critical Questions for Your Team

- ▶ Have expectations for advisors changed on your campus in the past five (5) years?
- ▶ How are expectations changing moving forward?
- ▶ What is the faculty advising role on your campus? Is advising consistent?
- ▶ How do advisors monitor student progress along their path?

Critical Questions: Share your Successes!

- ▶ How does your institution utilize technology to improve advising?
- ▶ How does your campus engage students in the advising process?
- ▶ What activities does your campus use to increase students' self-sufficiency ?
- ▶ Mandatory or optional advising: what is your campus experience?
- ▶ What is the most impactful aspect of your advisement program?

Thank you....

Onward!
