

Want to take the **Fast Track** to College Algebra and Beyond?

Register for **MTH 104 + MTH 165** **Spring 2018**

Benefits of Fast Track MTH 104* + MTH 165:

- Build a strong foundation by completing both courses in one semester
- Reap the advantages of a learning community: student networking, shared interests, connections with faculty
- Complete your MTH 165 requirement
- Get to Precalculus or Applied Calculus faster
- See, hear, speak algebra every weekday (7 credits)
- Strategic exposure to concepts supports student learning and bolsters the retention of algebraic skills
- Intermediate and college algebra skills will be interwoven throughout the semester

* Fast Track is open to students possessing MTH 104 prerequisites

Register for:

CRN 23160 (MTH 104-001) and 21272 (MTH 165-001)
with Professor Carson

OR

CRN 21425 (MTH 104-002) and 29693 (MTH 165-002)
with Professor Bellavia
