

School Supply Drive September 4 - September 13, 2019

The MCC Support Staff Planning Council and the MCC Chapter of the American Association of Women in Community Colleges (AAWCC) are working together to support the Pencils and Paper: Tools for Learning effort. Pencils and Paper is a free school supply store located in Rochester where teachers at eligible schools can obtain basic learning tools to help kids in need in our community.

Do you remember what it was like as a child to get all new supplies for the first day of school? Can you think back to the excitement of having bright, unbroken crayons, new colored folders, and new pencils to sharpen? Since Rochester has the second highest poverty rate among U.S. cities with a population of 200,000 or more, many students in our community do not know the joy of new supplies for school.

Please join your colleagues in helping to strengthen our community by supplying basic learning tools to local children who need school supplies but can't afford them.

The supplies teachers ask for the most include:

Construction paper (50 sheet assorted)
Copy paper (ream)
Crayons (24 pack)
#2 pencils and pens
Hand sanitizer (8 oz.)
Markers and dry erase markers
Glue squeeze bottles (8oz.)
Paper clips and binder clips
Band Aid boxes (100 count)
Backpacks
