# Summer 2022

Information & Registration Guide

**Monroe Community College**

STATE UNIVERSITY OF NEW YORK

Inspiring every day.

# Do something smart this summer!

**Explore a subject. Earn credits that transfer anywhere. Add fresh skills to your resume. Or apply to over 100 programs!**

**MCC is here for you.** For over 60 years, we've provided the certainty of a high-quality, affordable college education. This summer we'll continue that promise through in-person, online and remote learning in a wide range of subjects. MCC is committed to your safety and will follow all CDC protocols.

**You don't have to apply for admission to take a course or two!** Check out the offerings inside and follow the simple online or mail-in course registration instructions on page 4 of this booklet. Or apply to one of MCC's 100+ degree and certificate programs by visiting [www.monroecc.edu/go/apply](http://www.monroecc.edu/go/apply).

**While you're learning, you'll be earning SUNY credits.** MCC is a member of the State University of New York (SUNY) system. So whether you take a course or apply to a program, your SUNY credits are respected and transferrable to colleges and universities across the state and across the country.

**We're one of the best educational values in the country.** Because MCC is both nationally ranked and a SUNY college, we're able to strike a balance of high-quality academics and low-cost tuition. **Only \$196 per credit hour\* for New York state residents.**

Instruction Method	Will you come to campus?
<b>TRADITIONAL:</b> You'll attend classes on-campus. Some of your instruction may be web-enhanced. Students are expected to come to campus for each scheduled meeting time.	<b>Yes</b>
<b>HYBRID:</b> These courses have only a portion of the learning on campus. The rest is delivered online.	<b>Yes</b>
<b>ONLINE:</b> All course content, including assignments, readings and tests are completed on the internet, at times that work for you. There are no scheduled classes.	<b>No</b>
<b>REMOTE-LIVE:</b> You will attend <i>scheduled</i> class hours via Zoom and interact with your professor and other students in real time. Other activities such as watching or reading lectures, engaging in Blackboard discussion forums and/or participating in virtual group activities, are completed on your own time.	<b>No</b>
<b>HYFLEX:</b> This method allows you to choose remote, online or face-to-face instruction for each class session. Students can choose to be physically present in the classroom, participate via Zoom, or access materials and recorded lectures on their own time, then respond later.	<b>Your Choice</b>
<b>REMOTE REDUCED SEAT TIME:</b> You will attend some of your classes remotely, via Zoom, then access materials online to complete your weekly coursework. (For example, a M,W,F class may require two days of scheduled remote attendance with remaining work completed online.)	<b>No</b>

**Credits:** Hours awarded for successful completion of a course

**Days:** **M** = Monday, **T** = Tuesday, **W** = Wednesday, **R** = Thursday, **F** = Friday, **S** = Saturday, **TR** = Tuesday and Thursday (note: online courses do not have specific meeting days.)

**Locations:** **BC** = Brighton Campus, **DC** = Downtown Campus, **ATC** = Applied Technologies Center, **PSTF** = Public Safety Training Facility.

## Special Notations:

Some course listings include notations that provide more detail about the course. For example, the notation will identify a course that is reserved for students enrolled in specific programs. Please see below for more information.

- **Automotive** = Reserved for those in an automotive program
- **EOP** = Educational Opportunity Program
- **ESOL** = Reserved for students who are enrolled in English for Speakers of Other Languages
- **Flexible Paced Course** = Self-directed course in which learning material is delivered via computer using online software with videos and interactive assignments; instructors work one-on-one with students, helping them at their point of need
- **GR** = Sustainability course – open to all students; coursework is presented with a focus on renewability (studies the interactions of humans, economics and ecology in a holistic manner) and may fulfill requirements toward the Sustainability Certificate
- **LC** = Learning Community; course must be registered with the additional course as noted
- **WR** = Writing Intensive; must meet prerequisite for ENG 101 or have completed ENG 101 or with Instructor permission

## Training the Technicians of Tomorrow.

The FWD Center is a new state-of-the-art, 50,000 square-foot facility, located on the 5th and 6th floors of MCC's downtown campus. The training center is designed to focus on rapid training, retraining and upskilling of technical middle-skilled workers that continue to be needed as technicians by local employers. With a focus on short-term and accelerated training programs in technology-oriented careers and Industry 4.0 skill-sets, programming at the FWD Center links education with the evolving demands of the regional workforce.

New programs offered at the FWD Center address Industry 4.0 technology and cover fundamentals of automation, robotics, mechatronics, information technology, skilled trades, as well as industrial-focused smart technologies. With on-site job placement assistance, program completers are placed into some of the most in-demand industry sectors in the region,

The FWD Center is here to bolster technician talent and move the workforce into the future.

Registration for Fall 2022 is available online.
