

THREE THINGS TO KNOW ABOUT ME ...

Christy Anderson-Evans
Secretary to the Downtown Campus
Administrator
Employed August 2018

- I am a natural enthusiastic energetic cheerleader... for my children. My son swims for the Golden Comets and my daughter plays Varsity volleyball for Rush Henrietta, and Travel Volleyball for VolleyFX. You can hear my voice across the stands for both of them. They are the reason why I persevere.
- Speaking of my boisterous voice, I was a youth choir director, but cannot sing. Loud and flat, that is me.
- Last but not least, after a milestone birthday, I started working on my “Bucket List” of part-time jobs and hobbies. My first job on the list was a Customer Service Agent for Airtran. I loved every moment of this job except saying “good-bye.” Part of this job would require me to marshall the aircraft to the run way and once that was accomplished I would give a farewell salute to the pilot. Yes this was the hard part. I would shed a tear when I had to say goodbye to STRANGERS. It’s ok to laugh my family still does☺.

Catherine Erway
Technical Assistant
Environmental Health and Safety
Employed November 2018

- I graduated from Mercyhurst University with a double major in Biology and Sustainability Studies. I would like to continue my education and receive a master in epidemiology, sociology, or demography.
- I enjoy research. While in college I completed research on a fossilized insect with Apoidea-like features, the effects of habitat fragmentation and urbanization on Anuran species, ecosystem restoration focusing on solitary bees, and a \$300,000 solar panel proposal for the university which would offset 2,230 tons of carbon.
- In my spare time I enjoy reading, gardening, and creating crafts. I like hands-on projects, including but not limited to: whittling, knitting, painting, and refurbishing old furniture.

Shelby Gallaro
Advisor
Student Rights and Responsibilities
Employed January 2019

- I am currently finishing my last semester of my master's degree at Buffalo State in Higher Education and Student Affairs Administration.
- I'm getting married in July 2019.
- I am a huge Taylor Swift fan – I even got my fiancé to attend the reputation tour (most recent) with me!
