**Are you planning to attend Monroe Community College in Fall 2022?**

**Do you need assistance with math to better prepare you for college?**

The **Middle Skills Bridge Program** is designed to help prepare participants to retake the Accuplacer and raise their score level in math at MCC.

This individually paced, **9-week**, accelerated and personalized college preparedness program, has what you need to increase your math skills including: instruction in arithmetic, algebra, general test-taking skills, and more.

This program is funded by Mpower. To qualify, you must have a high school diploma or equivalent, attend all classes as scheduled, and plan to attend Monroe Community College in Fall 2022.

**COVID-19 REQUIREMENTS:** To participate in in-person learning, students must be fully vaccinated against COVID-19 (i.e., complete a one or two shot series depending on the vaccine) plus get a COVID-19 booster once you are eligible.

This class is **FREE**, but space is very **limited**.
