STUDENT PLACEMENT AND TESTING UPDATE – Since March 2020, the way we place students into Math and English has changed. There is a new process of placement and testing as well as the metrics we use to place students. Join us for an informative session to learn how students are placed, and how to best advise new, transfer, and continuing students. There will be time for Q&A at the end.

Presenter: Sarah Pantaleo, Associate Director, Advisement, Testing and Transfer Services

Wednesday, March 16th

3:30 p.m. to 4:30 p.m.

FRIDAY, MARCH 18, 2022

ADVISING FOR SAP WORKSHOP: - How do I effectively work with students who are not making Satisfactory Academic Progress (SAP)? This session will help you answer that question! Degree Works will be utilized to identify and interpret students' academic standing, how they got to that standing, and what requirements will need to be met to get them back into compliance. Best practices for advising in subsequent semesters will be discussed. Common themes that impact students' academic progress will be shared, and available resources to support student success will be highlighted. An overview of the College's SAP Policy, and the academic review process will be looked at in preparation for this discussion.

Presenters: Amy Coon, School Specialist, Schools at MCC and Vicki Pankratz, School Specialist, Schools at MCC

Friday, March 18th

Noon to 1 p.m.

STARFISH CALENDAR MANAGEMENT –Faculty advisors can use Starfish to facilitate virtual connections with their caseloads. Students can schedule their own appointments with you online, via Starfish, based on the availability you set up. This training includes a demonstration of what students see when they schedule an appointment, an overview of the available customizations and controls when creating appointment availability, and a step-by-step instruction guide on how to get started.

Presenter: John Kulak, Early Intervention Specialist, Schools at MCC

Friday, March 18th

1:00 p.m. to 2:00 p.m.
