from natural and man-made disasters.

**American
Red Cross**

Danielle Beideck from the American Red Cross, will present Governor Cuomo's Citizen Preparedness Corps program. This is a state-wide effort to increase community resiliency. Teaching individuals how to take care of themselves and their household during a disaster enables them to further expand their support to a neighborhood and community level.

**SSPC is a proud supporter of the MCC DWIGHT food pantry.
Please bring to this event any non-perishable item to donate.**
