

6 THINGS TO KNOW ABOUT THE MCC LIBRARIES

LIAISON LIBRARIANS

Each department has a liaison librarian who can assist faculty with utilizing library resources and services. See <http://libguides.monroecc.edu/facultyguide> for more info.

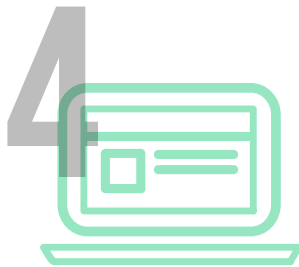

LIBRARY INSTRUCTION & CLASSROOM VISITS

Librarians can provide a variety of instruction for your students, from brief classroom visits to instruction sessions in the library. Sessions can address information literacy and research skills. See <http://libguides.monroecc.edu/libraryinstruction> for more info.

COURSE RESERVES

Students benefit greatly when you provide one or more copies of your course textbooks to be held on reserve for use in the library. See <http://libguides.monroecc.edu/facultyguide/> for more info.

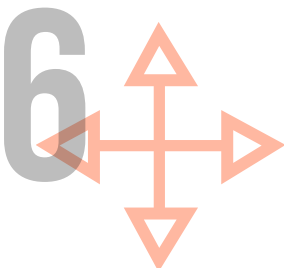

LIBRARY DATABASES

You and your students have access to over 115 online databases via the MCC Libraries. These include everything from journal articles to streaming video and are accessible from our website or the Library tab in Blackboard.

ONLINE GUIDES

Librarians have created a variety of research guides that are available on our website and via the Library tab in Blackboard. We can also create a custom guide for a class or assignment to direct students to specific resources.

INTERLIBRARY LOAN

Can't find what you need in the library or our databases? We can probably get it for you via interlibrary loan. See <http://libguides.monroecc.edu/ILL> for more info.
