

Let's stop HIV together.

Get Yourself Tested!

Free HIV and Hepatitis C Testing

Wednesdays 11am-1am, in Health Services, 3-165

Confidential, No Appointment Needed, Testing Provided by Jordan Health

- 1 in 7 HIV infected persons don't know they are infected. 1 in 4 HIV infected persons are also infected with Hepatitis C virus (HCV).
- Getting tested and knowing your status gives you powerful information to help you take steps to keep you and your partner(s) healthy.
- There is effective treatment available for both viruses.
