Sue was inspired to dedicate her life to the path of the Bodhisattva when she first met H.E. Garchen Rinpoche in 1999. She has been studying and practicing the Dharma ever since. In 2008, at the request of her teacher Anam Thubten Rinpoche, she was ordained to teach. Sue’s teachings are based on the transcendent wisdom of the Buddha as they have been transmitted through the lineage of her teachers. Her particular interest is "Dharma off the cushion." How do we use the conditions of our life to open and awaken us, for the benefit of all beings?

In addition to being a wife, mom and teacher at Dharma Refuge, Sue is partner emeritus and former founder and CEO of [Brand Cool](#).
