

# ADJUSTING IN THE AGE OF COVID

## A TOWNHALL PRESENTATION and DISCUSSION

### with Special Guest Dr. Michael Mendoza

*Commissioner of Public Health for Monroe County and Associate Professor at the University of Rochester  
in the Departments of Family Medicine, Public Health Sciences*

Also joining the discussion will be Mr. Tony Perez, Chief of Public Safety at Monroe Community College and Jacqueline Carson, Director of Health Services Department

Please join us for an informative presentation with updated information about the Coronavirus from this distinctive panel. The panelist will address the latest on Covid19 and most of all what are the concerns still lingering out there among MCC faculty, staff and students? Our experts will give us insight using their expertise and answer questions during this townhall.
