

The Indigenous Peoples' Initiative cordially invites you to a viewing of the documentary film *Keepers of the Game*, featuring a Mohawk student who currently plays on the 7-time National Champions women's lacrosse team at Monroe Community College.

KEEPERS OF THE GAME

Lacrosse was born in Akwesane Mohawk Territory as a sacred game, traditionally reserved for men. Members of an all-Native girl's lacrosse team try to prove the game is their rightful inheritance, putting more than just a championship on the line.
