

RATIONALE

The Faculty Senate carries out the academic governance process through judicious and timely deliberations. It also ensures through the electoral process a broad participatory role from individual units in the initiation, development, implementation, and evaluation of the educational program at Monroe Community College. In addition, the Faculty Senate structure provides for an organized liaison between the faculty and the President of the College, other administrative officers, and the College Community at large. The Faculty Senate structure provides an organization within which it can develop and recommend policies and guidelines in all areas of Faculty responsibility. The Faculty Senate, in the person of the Faculty Senate President (or designee), serves as the faculty's voice and liaison on matters of shared college governance.
