

Bring what you love to what you do.

MCC students, join our Apple Store event to learn more.

What are you passionate about? Music? Art? Photography? Fitness? Games? Whatever it is, bring it to a role at the Apple Store and share what you love through our products. If you have people skills, we'll show you the rest.

Working part-time or full-time, you'll get special Apple training and employee product pricing.

At Apple, it's everybody in. That's why we continue to strengthen our long-standing commitment to efforts such as inclusive hiring and development and equitable pay for all.

Join Us. Be You. - Monroe Community College

Wednesday, September 22, 2021
12:00–12:30 p.m. EDT
