Chancellor's Awards for Excellence in the Classified Service

Guidelines

Purpose of Program

The Chancellor's Awards for Excellence in the Classified Service are System-level awards established by the University to give System-wide recognition for superior performance and extraordinary achievement by employees in the Classified Service. These awards demonstrate the University's commitment to individuals who provide superior service to its students and the community at large.

Recognition

Employees selected for the awards receive a personal certificate of recognition and a Chancellor's Excellence Medallion. In addition, campuses are encouraged to announce and publish the awards as is customary with other awards programs.
