R. Thomas Flynn Campus Center

Monroe A & B

Parking Lot M

**Free & open to the public. Tickets are required and available at monroecctickets.com, Brighton Campus Service Desk and Downtown Campus Bookstore.*

The opioid epidemic or opioid crisis is the rapid increase in the use of prescription and non-prescription opioid drugs in the United States and Canada beginning in the late 1990s. This crisis has continued throughout the first two decades of the 2000s. In all, 29,230 people died in car accidents in 2016, while 47,055 died from a drug overdose.

A GROUP DISCUSSION on this topic will be held:

March 1, 2018
