

**LETTER OF RECOMMENDATION FOR NYSMATYC SCHOLARSHIP**

*Dear Colleague:* Please write an appraisal of the applicant's academic and personal qualities. A cursory "He/she was a great student" does not aid the judges when applicants have similar qualifications. Your revealing recommendation is very important to the judges. We hope you will discuss the student's special talents and characteristics, commitment to academic work and non-academic achievements. Please mention any specific events or circumstances that may have affected the applicant's performance. **This form must be included in your letter of recommendation to be considered.**

Please mail or email recommendation directly to:

Elizabeth McGrath  
NYSMATYC Scholarship Committee Chair  
SUNY Broome Community College  
Mathematics Department
