Founded in 2010 to honor the memory of Yeadley Love, One Love's mission is to end relationship abuse by educating young people about healthy and unhealthy relationship behaviors and empowering them to be leaders driving change in their communities.

Virtual Yards for Yeadley

April 1st marks the beginning of **Sexual Assault Awareness** month.

Please consider participating in our virtual **Yards for Yeadley** event throughout the month of April. **Yards for Yeadley** is a walk created by the **One Love Foundation** to bring awareness to unhealthy and abusive relationships. The first 250 participants who register will receive an MCC mask and webcam cover to thank them for their efforts to raise awareness for dating violence.

All participants will also receive an email with healthy relationship tips after registering.

You can participate by walking, running, rolling, or using an exercise machine.

After you complete your activity, you can track it by clicking the link in your registration email.
