

Monroe Community College Alumni Weekend 2005

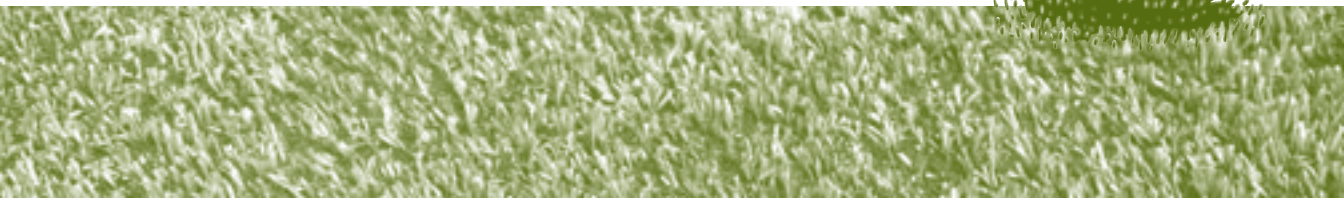

*Celebrating 40 years of
Men's & Women's Soccer
Excellence*

October 7 – 8, 2005

Hosted by the Monroe Community College Foundation

Get Ready to Play on MCC's NEW Synthetic Turf Field!

New for 2005, MCC's new synthetic turf field, the John L. DiMarco Field, will host NJCAA soccer and lacrosse competitions.

As an MCC Tribune...

you helped to create a legacy of athletic excellence at Monroe Community College that is recognized both locally and nationally.

It's time to return to home turf to celebrate how our community college has shaped our lives and those of thousands of student-athletes through its soccer program. The MCC Foundation will be our host as we mark the 40th anniversary of the college's first NJCAA national soccer championship—won by the 1965 men's soccer team.

Our weekend reunion will begin with a friendly golf match on Friday, October 7th, followed by an evening kick-off reception. Choose from a variety of activities on Saturday, October 8th, including alumni soccer games on MCC's new synthetic turf field, Erie Canal tour and vineyard tour and wine tasting! Don't miss the elegant gala dinner on campus on Saturday night where we will reunite with friends and coaches and remember those leaders and players that set the standard of achievement for us all.

Return the enclosed response card by September 30th. And, be sure to bring your cleats and your Tribune spirit for alumni reunion games on Saturday!

See you on home turf, October 7th and 8th!

The highlight of Alumni Weekend 2005. An event not to be missed!

George C. Monagan, Jr.

Founding Faculty Member • Professor Emeritus • Athletic Director • Poet
1925 - 2005

One of the college's pioneers, George C. Monagan Jr. served the Monroe Community College community for 26 years, and remained involved as a volunteer for almost two decades into his retirement. George often returned to campus and remained enthusiastically involved in planning athletic, alumni and student scholarship events at the college. George was always eager to cheer on MCC Tribunes.

George built many lasting traditions at our community college. From the Sports Hall of Fame to the National Youth Sports Program hosted at MCC each summer, George's commitment to our area's youth and education was a role model for us all.

Join us at the reunion's gala dinner, where together we will honor George. George intended to serve as honorary chair of this reunion event before his unexpected passing on May 20 at the age of 79. Although his presence will be missed, his spirit will live on through our memories and the stories we will tell.
