

ADVISEMENT PROGRAMS via ZOOM!

Monday, May 4 | Interpreting your Degree Works Worksheet

Degree Works is your roadmap for success! Degree Works takes the guess-work out of what to register for by displaying which requirements have already been satisfied and what is still needed to complete a degree or certificate. Learn how to interpret your Degree Works worksheet, ensuring proper course selection!

Tuesday, May 5 | Overview of the Transfer Process

How do you transfer to a 4 year college? In this session, we will review the entire transfer process from choosing colleges, selecting courses to take at MCC, connecting with 4 year college representatives, and completing transfer applications. There are a lot of resources and services at MCC to help make this transition easier to navigate!

Thursday, May 7 | Transfer Application Assistance

How do you apply to transfer? In this session, we will get into the nuts and bolts of the transfer application. We will review what application to use, what information the 4 year college wants to know about you, how to request transcripts, and how to file for financial aid.
