*Promotional feature requires a new one- or two-year service agreement. **Cingular also imposes monthly a Regulatory Cost Recovery Charge of up to \$1.25 to help defray the costs of providing service, including those incurred in complying with State and Federal telecom regulations; State and Federal Universal Service Charges; and surcharges for customer-based and revenue-based state and local assessments on Cingular. These are not taxes or government-required charges.

Cingular GSM handset required.

Your phone's display does not indicate the rate you will be charged. Please review your coverage map for areas included in and out of plan. Map depicts an approximate outdoor coverage. Map may include areas served by unaffiliated carriers and may depict their licensed area rather than an approximation of the coverage there. Actual coverage may differ substantially from map graphics, and coverage may be affected by such things as terrain, weather, foliage, buildings and other construction, signal strength and other factors. Cingular does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the subscriber. Future coverage, if depicted above, is based on current planning assumptions but is subject to change and may not be relied upon. 76120/0107
