

Pedestrian
Detour route

Signs indicating
pedestrian detour will
be placed at sidewalk
junctions but sidewalks
will not be closed off

These entrances will be
closed, however
emergency egress will be
maintained at all times and
signage indicating
emergency exit only will be
provided.

This area will be fenced off
for work and staging.
Construction personnel
only.

These entrances will be
closed, however
emergency egress will be
maintained at all times and
signage indicating
emergency exit only will be
provided.

These entrances will
alternately be completely
closed as work progresses
from one side of the
building to the other. They
will not be both closed
simultaneously.

This area will be fenced off
for work and staging.
Construction personnel
only.
